Our boarding policy:

All pets must be current on vaccines for their protection and for the protection of other boarding animals. All vaccinations have to be given by a licensed Veterinarian. Without proof of current vaccines, Goddard Veterinary Clinic will perform a physical and administer the required vaccines and appropriate fees will be charged. Any animals found to have ticks, fleas, and intestinal parasites will be treated at the owner's expense. I will not hold Goddard Veterinary Clinic responsible or liable for any accidents or injuries that occur while boarding.
